SUMMARY

Computer Science undergraduate with a strong interest in **Product Management**, experienced in building **AI-powered products** and translating user needs into scalable, user-centric solutions through **product thinking** and **strategic execution**.

EXPERIENCE

Associate Intern — TADS Education Pvt. Ltd. — Indore City Chapter

Jan 2020 – Jul 2021

- Spearheaded **Women Empowerment Campaigns**, coordinating awareness initiatives and community engagement programs across the Indore City Chapter.
- Demonstrated **Leadership, Stakeholder Management, Event Coordination**, and **Public Speaking** while driving community-focused initiatives and volunteer engagement.

PROJECTS

JeevanChakra

Product Demo

- **Led the product vision** by identifying gaps in healthcare accessibility and defining user-centric solutions for doctor discovery, appointment booking, AI-powered assistance, medication reminders, and health management.
- Demonstrated **Leadership, Product Strategy, Stakeholder Thinking**, and **Cross-functional Collaboration** by driving the product lifecycle from ideation to deployment while continuously refining the user experience through iterative feedback.

SKILLS

Core PM: Product Discovery, Product Strategy, Product Thinking, Requirement Gathering, Feature Prioritization, User Research, Product Roadmapping, Agile, Scrum | **Analytical:** SQL, Product Metrics, KPI Analysis, Market Research, Competitive Analysis, Microsoft Excel | **Leadership:** Stakeholder Management, Cross-functional Collaboration, Communication, Strategic Thinking, Decision Making, Team Leadership | **Tools:** Figma, Jira, Notion, Git, GitHub, Postman, REST APIs

LEADERSHIP & ACHIEVEMENTS

Open Source & Campus Leadership

GitHub

- Served as a **GSSOC'26 Project Mentor**, demonstrating **Leadership, Mentorship**, and **Stakeholder Management** by guiding contributors, reviewing project submissions, and fostering effective collaboration across open-source projects.
- Served as **Event Management Head** and active member of **NSS** and **Startup Club**; organized the **First Industry Conclave 2024** and coordinated flagship events including **Smart India Hackathon (SIH)** and **VIT Convocation**.
- Demonstrated **cross-functional leadership, stakeholder management**, and **team coordination** while leading large-scale technical and community initiatives.

Community Leadership & Volunteering

2024–Present

- Volunteered for the **3-day Ice Breaking Event, VIT Convocation 2024**, and the campus-wide **Blood Donation Camp**, coordinating logistics and volunteer operations.
- Hosted technical and entrepreneurial events for the **Startup Club**, collaborating with speakers, founders, and student communities to ensure seamless execution.
- Strengthened **leadership, communication, ownership**, and **problem-solving** skills through high-impact campus initiatives.

Innovation, Competitions & Product Thinking

Demo-Link

- **National Finalist** Hackground India 2K25 (ThoughtWorks); **Finalist** HEALTH HACK (Johns Hopkins University & VIT); secured **3rd Place** at the Rescue Ideathon.
- **Semi-finalist** in the **TATA Imagination Challenge (2024 & 2025)**, pitching innovative product ideas **SafeSpark** and **Closet Sharing** focused on solving real-world user problems.
- Demonstrated **product thinking, market research, user-centric problem solving**, and **business storytelling** through product ideation and pitch presentations.

Technical Content Creation

LinkedIn

- Started a **DSA educational series** on LinkedIn, creating bite-sized videos explaining algorithms and data structures.
- Built an engaged learning community through **technical storytelling, knowledge sharing**, and consistent content creation.
- Enhanced **public speaking, technical communication**, and **community engagement** by simplifying complex concepts for aspiring developers.

EDUCATION

VIT Bhopal University

B.Tech. in Computer Science

CGPA: 9.19 / 10

Bhopal, Madhya Pradesh

Aug 2023 – May 2027
